Grand Slam United

Hallo liebe Freunde von Grand Slam United.

Bisher sind es 12 Teams die sich fix für Grand Slam United angemeldet haben. Wer weiss, vielleicht kommt ja das ein oder andere Team noch im Laufe der Saison dazu. Das soll eigentlich ein Endlosspiel sein, bei dem man jederzeit in die Partie einsteigen kann. Vorteile für später eingestiegene Teams wird es nicht geben.

So was wird sich ändern zu den normalen Regeln. Solange es nur 12 Teams sind, werden die Masters auf 2 Sieges WPs heruntergesetzt. Alles andere bleibt erst einmal gleich würde ich sagen.

Rangliste. Nach jedem Turnier wird natürlich eine Rangliste veröffentlicht und dementsprechend wird es eine Setzliste geben. Die ersten 4 Tabellenplätze sind immer gesetzt und können erst im Halbfinale, bzw. Finale aufeinandertreffen. Alle andere Begegnungen werden ausgelost.

Bei ungeraden Teilnehmerzahlen eines Turniers gibt es entsprechende Vorrunden.

So das war es eigentlich von meiner Seite.

Vorschau für die 1. Runde

Anmeldungen für folgende Turnier sind möglich:

Tokio (2 WP / Matsch)

Brasil (2 WP / Hartplatz)

Ansonsten Talententdeckungen, GM-Kauf nach den Spielen usw.

Züge bitte an michaelfrenzel@gmx.at schicken

ZAT ist der 16. Februar 2007 für die Anmeldung bei welchem der beiden Turniere Ihr starten wollt. Mannschaften die jetzt noch einsteigen wollen können das mit Abgabe eines Teams, eines Untergrunds und einer Meldung für ein Turnier.

Gruß aus Wien

Michael

1. Introduction
=====

Four managers failed to submit this time, and Anders Færden has been expelled from the game, meaning that Inferno and Minibar Travellers need new managers. With only one more round to go, it is probably no point in getting a caretaker manager for the rest of the season, so I'll go for a new permanent manager from next season.

DFK Mål secured the Premiership gold medals this round as expected, and Erlend Janbu can be congratulated with the championship! Illuminatus! are still in silver position two points ahead of Game PC, while Formula 1 have gained a point on these two teams and are now only one point behind Game PC. Ormen's relegation is a fact, while Nightmare Heros, Monarkia, Inferno and Rangers on 13, 14, 15 and 16 points respectively fight to avoid the remaining two relegation spots.

Bergtre DS have secured promotion to the Premier League, while Ajax Aswandam and Gamblers Utd have three points more than Übermenschcn in fourth place and should be able to secure the two remaining promotion places. Lyn are relegated to Div 2, and only theory can save Blue Hearts. It is therefore Minibar Travellers and Walhalla FC who fight to avoid the third relegation spot, with Walhalla FC having a one-point advantage right now.

Brettspill Utd and Chicago Licks are promoted from Div 2, while Botanica's three point gap to Directors should be sufficient to see them secure the last promotion spot. NobleCity are relegated while it seems difficult for Fanatism and Queen to catch up with Space Age Inc., although Queen may still have a chance due to their better goal difference which means that two more points than SA Inc in the last round will be enough.

Jirs Park Rangers are practically promoted from Div 3 due to their superior goal difference, while New Frøya, Enga and Lokomotiv Oslo at 28, 27 and 26 points fight for the two other places. Gromgutane are now three points behind Lake Tanganyika and only a miracle can save them from relegation to the non-league and a permanent exit from the Nightmare League.

Chicago Licks are still at the top of the luck list, while Gamblers Utd have taken the second place from Illuminatus! who are now third. But there are only small differences between these top three teams, so it may all change in the last round. Mean Berry Minibears have suddenly become the unluckiest team, after not even having been among the top three before this round. The Renaissance have also come from nowhere and taken second place, while Nightmare Heros remain in third place.

The home advantage is still 9 VP. Round 21 and 22 are played this round, and so is the cup final!

Your teams will be sent out soon.

The deadline for round 11 is Friday 23 February, at 1700 hrs CET.

Premier League Match day 19

=====

American Natives - Ormen 2 : 1

Scorers: Mazakootemane (87.), Black Hairy Dog (14.) ***Stein (11.)

Penalties: - (1 missed) ***-

Sent off: --- ***Bjorn (20.)

Ormen shocked the Natives by taking an early lead, but the home team equalised shortly after. Getting Bjorn sent off after only 20 minutes didn't help the visitors either. AN dominated the rest of the match, but the winning goal came only 3 minutes before the end.

Game PC - Inferno 6 : 2

Scorers: Loynis (31., 54., 78.), Prince Arthas (48.), Runir (45.), Ramon Calliste (73.) ***Maniac (14.), Gaahl (44.)

Booked: Indiana Jones ***---

Anders Færden has been given the boot as manager for the infernal ones, but no new manager has been appointed yet. Against Game PC it didn't matter much: the home team is chasing silver and could easily have won even bigger.

Illuminatus! - Nightmare Heros 7 : 3

Scorers: Mordecai Malignatus (1., 8., 61.), Red Neon (25., 36., 46.), ABN AMRO (22.) ***Carl Fredrik Seim (38., 82.), Billy the Kid (53.)

Nightmare Heros had their only goalie suspended, and when they also lost 3 VP in defence due to the 3:1-rule, little hope was left. It was only sloppy defending by the illuminati that gave NH some consolation goals.

Rangers - ForEverton 2 : 1

Scorers: Runar Berg (10.) ***Duncan Ferguson (37.)

Penalties: 1 (1 missed) ***- (1 missed)

Booked: Håvard Sakariassen, Runar Berg ***Marcus Bent, Mikel Arteta

A somewhat lucky win enabled Rangers to climb out of the relegation zone. Our Everton heroes should have got at least a draw, but have been unlucky for a long time now and may in the worst case get involved in the relegation fight again.

DFK Mål - Monarkia 1 : 0

Scorers: Stian Ohr (56.) ***---

Erik Andersen has not shown his face on the Monarkia bench for quite a while, is he simply unable to face hardship when things are not going his way? Anyway, DFK Mål did not impress, but got the goal they need to win and stay on track for gold.

Formula 1 legends - Rejected F.C. 3 : 2

Scorers: Michael Schumacher (7., 31., 80.) ***Durham City (83.), Merthyr (69.)

Booked: --- ***Aberdare

A vital match which kept Formula 1 in the medal fight while Rejected F.C. were ejected from it. An entertaining match, and a fully deserved home win.

Premier League Match day 20

=====

Monarkia - Nightmare Heros 1 : 0

Scorers: Inge Bårdsson (9.) ***---

Booked: --- ***Thomas •ye

Monarkia, still without manager Erik Andersen, were handed a lifeline by the anemic play by Nightmare Heros. They hardly tried to fight back after Inge Bårdsson gave the monarchs an early lead, so 1-0 was the inevitable result. NH are suddenly second last on the table and looking the more likely relegation candidate of the two!

ForEverton - Illuminatus! 4 : 2
Scorers: Alessandro Pistone (27., 78.), Marcus Bent (67.), James
McFadden (9.) ***White Queen (73.), ING (61.)
Sent off: --- ***Red Neon (14.)

Our Everton heroes finally got a deserved win, and with that they handed DFK Mål the Premier League championship on a plate. Their win was aided by Red Neon getting himself sent off early, but the illuminati were already 1-0 down so it probably mattered little. Even silver medals may be lost for the illuminati now...

Rejected F.C. - Game PC 1 : 0
Scorers: Glossop (48.) ***---
Game PC missed a golden opportunity to advance to second place when Glossop scored the only goal. The teams were evenly matched, so the win was somewhat lucky, but not outrageously so.

Rangers - American Natives 4 : 4
Scorers: Runar Berg (8., 33.), Håvard Sakariassen (29.), Cato
Hansen (21.) ***Iron Thunder (85., 89.), Porcupine Bear
(80.), Spirit Walker (16.)

Rangers got another crucial point by keeping American Native to a draw in a goal-rich and entertaining match. The natives can also be happy with the point, because it was all they really needed to secure survival and because they got it from a very late goal by Iron Thunder.

DFK Mål - Formula 1 legends 0 : 0
Formula 1 chose the perfect tactics and killed the match totally, gaining yet another point on Game PC! However, DFK Mål couldn't care less because they were champions anyway, two matches before the end. Congratulations, Erlend Janbu!

Inferno - Ormen 1 : 1
Scorers: Nocturno Culto (36.) ***Egil (32.)
Booked: --- ***Odin, Stein
Inferno are still without manager and dominated the match. They managed to waste 17 chances against the weakest team in the Premiership, and the draw made nobody happy. Ormen are relegated, while Inferno are still only one point away from relegation when it should have been two.

Division 1 Match day 19
=====

Walhalla FC - Minibar Travellers 4 : 1
Scorers: Outlaw (32., 57.), Ex-Girlfriend (13.), Al Sharpton
(37.) ***---
Penalties: - ***1 (1 missed)
Booked: Inlaw ***---
Anders Færden was sacked also as manager for Minibar Travellers, but it didn't help them a bit. This may in fact have been a decisive match in the relegation fight as Walhalla got out of the relegation zone for the first time this season and dumped MT into it instead. And yeah, the result was totally deserved.

Lyn - Symington tinto f.c. 3 : 9
Scorers: Oliver Cant (68., 83.), Robert Bruce (15.) ***novo (54.,
67., 72.), prso (27., 63., 84.), smith (59.), hutton
(8.), mccoist (30.)
Penalties: - ***- (1 missed)
Booked: Colo, Eriksen, Nigel Bond, Robert Runcie ***---
Symington tino put a few more nails in the Lyn coffin. Only theory can save the west end brats now, and theory is of no interest whatsoever.

Bergtre Dramskips Selskap - Texas Hold'em United 2 : 0
Scorers: Gjørnunn Hjembrentsæther (13.), Mons Ivrig Mjauer (5.)
***---

BDS secured promotion with an expected win against the texans. The latter are now only one point from relegation, and even Elmar "Pokerface" Heiser seems to be looking nervously over his shoulder.

A.K.A. - Übermenschen 1 : 1

Scorers: Namor McKenzie (8.) ***Borchert (55.)

Booked: Namor McKenzie ***Goethe, Habermas

Übermenschen were slightly better, but created too few chances to score their second goal - and a draw is probably not good enough to catch up with The Gamblers in third place. Another disappointment for Øyvind Henriksen...

Ajax Aswandam - Blue Hearts 0 : 0

AA were weakened by several suspensions, but should still have dispensed of Blue Hearts without much effort. However, the visitors got a lucky point which keeps their survival hope alive for a little while longer.

Gamblers Unitd - Madmartigan City 7 : 5

Scorers: Henry Holder (16., 28., 36., 82.), Gabriella Galant (2., 13.) ***Julidochromis Ornatus (81., 83.), Wernon Wedger (22.), Blanche Blaster (45.), Charlotte Charger (3.)

Penalties: 1 ***-

Booked: Hjemme Hos Nimobarak ***Blanche Blaster, Nerma Newstart

A real blinder of a match with 12 goals, and a huge step towards promotion for The Gamblers. They just cannot lose a 4-point advantage in just 3 games, I think. Mad City contributed to a brilliant game, but were the weaker team.

Division 1 Match day 20

=====

Blue Hearts - Texas Hold'em United 4 : 8

Scorers: Robbie Williams (49., 58., 65.), Heiden (7.) ***No limit (19., 56., 61.), Check (2., 27.), Call (44.), Flop (12.), Big Blind (84.)

Booked: Robbie Williams ***---

Texas Hold'em United rose to the occasion and crushed Blue Hearts, nearly sealing the latter's fate while taking a big step towards safety themselves.

Übermenschen - Bergtre Dramskips Selskap 1 : 0

Scorers: Habermas (53.) ***---

Booked: Schopenhauer ***---

WOW! Übermenschen stay in the race a while longer by beating BDS. Perhaps the latter relaxed a bit as they were already promoted, but it was still no little feat by the superhumans.

Madmartigan City - Lyn 5 : 3

Scorers: Julidochromis Ornatus (17., 32.), Branny Breakthrough (18., 61.), Charlotte Charger (54.) ***Robert Bruce (7., 48.), Oliver Cant (74.)

Booked: Wernon Wedger ***---

YES! The west end brats are now formally relegated and continue their fall through the league system. I guess they are Div 3 in one year and out of the league in two years' time...

A.K.A. - Walhalla FC 3 : 0

Scorers: Donald Blake (18., 48.), Namor McKenzie (60.) ***---

Booked: --- ***Car Salesman, Heti Netquist

A.K.A. had nothing to play for, but were so much better than Walhalla that it mattered little. The two last matches will decide if Walhalla or Minibar Travellers go down...

Ajax Aswandam - Gamblers Unitd 0 : 0

The Gamblers gambled on an ultradefensive strategy and succeeded in getting a draw, and thereby probably securing promotion. Well done, Ulf Jiretorn!

Symington tinto f.c. - Minibar Travellers 7 : 1

Scorers: hutton (63., 74., 84.), smith (4., 89.), prso (16.), mccoist (58.) ***Gin Tonic (1.)

Symington tinto crushed the managerless, but still travelling boozers. It seems the latter will get the chance to travel to many new places next year...

Division 2 Match day 19

=====

Queen - Chicago Licks 3 : 1

Scorers: Freddie Mercury (29.), Killer Queen (76.), Doing
Alright (14.) ***Akhmed Ahmadi (27.)

!!!!!!!!!!!!!! This shocking result may upset both the promotion and relegation fights! Queen can see Space Age Inc. just ahead of them, while CL must look over their shoulders. And all this due to a very, very, lucky home win...all in the absence of Queen-manager Ronald Post!

Furinkan High School - Mean Berry Minibears 1 : 0

Scorers: Haposai (23.) ***---

Booked: Mousse ***---

Surprisingly, MBM were the best team judging from play and chances, but it was only FHS who managed to score. Therefore they stay in the promotion chase for a while longer.

Foundation - NobleCity 6 : 1

Scorers: Tokyo Express (16., 78.), Stipa ichu (21.), Wales
United (41.), Bokas (24.), Amuse (59.) ***Richard McCaw
(42.)

Both teams lost a few VP due to the 3:1-rule, but Foundation were far better anyway. Only a miracle can save NobleCity from relegation now.

Fanatismen - Brettspill Utd 1 : 5

Scorers: Per Sandberg (73.) ***Attack (34., 57.), Alhambra (16.,
80.)

Penalties: - ***1

Booked: Gerd Liv Valla, Hilde Frafjord ***---

Brettspill Utd won easily and secured promotion. Congratulations, Holger Heiser! Fanatismen as still up shit creek without a paddle.

The Teddy Bears - Space Age Inc. 10 : 2

Scorers: Teddy Bjørn (34., 37., 64., 73.), Kollargol (14., 44.,
76.), Bamse Bjorn (5., 10.), Ole Brumm (18.) ***PLUTO
(83.), Soyuz (29.)

Booked: Ole Brumm ***---

Space Age Inc. are still without manager, and it was no surprise that Teddy Bears, who have scored more than any other team in Div 2, would reach 10 goals before they stopped.

Botanica - Directors 1 : 4

Scorers: Trifolium pratense (58.) ***Paul Aaron (1., 23.), David
Griffith (40., 47.)

OOOPS! Botanica were big favourites, but Directors got a big win and the promotion fight is suddenly thrown wide open with five teams involved. The win was quite lucky, however, as Botanica should have got at least a draw...

Division 2 Match day 20

=====

Space Age Inc. - NobleCity 5 : 0

Scorers: Zond (58.), CALYPSO (44.), TITAN (43.), PHOBOS (51.),
Mercury (13.) ***---

HAHAHAH!! This was the match that NobleCity had to win, but instead they lost 1 VP in defence due to the 3:1-rule and were docile as lambs to the slaughter. Event managerless Space Age Inc had no problems slaughtering them. NobleCity are now relegated, while SAI increased their survival chances considerably.

Brettspill Utd - Foundation 2 : 1

Scorers: Brittanica (58.), Alhambra (65.) ***Bokas (69.)

Booked: --- ***Bokas, Yate

Brettspill Utd took a great step toward winning Div 2 with this win in a tight and difficult match.

Directors - Furinkan High School 2 : 0

Scorers: Kevin Smith (64.) ***---

Penalties: 1 ***-

Booked: --- ***Nabiki Tendo

The match was rough and relatively even, and Directors were somewhat lucky to convert their little advantage into two goals. They have now overtaken FHS on the table and are the foremost challenger for the promotion spots.

Fanatismen - Queen 1 : 1

Scorers: Petter Solberg (41.) ***Jealousy (69.)

Booked: Gahr Støre, Petter Solberg ***---

Ah...a draw was just not good enough for either team, as it meant that the distance up to SA Inc increased. Fanatismen were the better team and had deserved to win, but failed to convert a dozen chances while Queen scored on their only one, even in the absence of their manager Ronald Post.

The Teddy Bears - Botanica 3 : 6

Scorers: Paddington (48.), Teddy Bjørn (3.), Kollargol (35.) ***
Gentianella numularifolia (77., 87.), Poa annua (8.,
15.), Trifolium pratense (55.), Gentianella rupicola
(35.)

Booked: Teddy Bjørn ***---

Botanica were back in winning mood and are almost ready for promotion with three points in hand with only two matches left.

Mean Berry Minibears - Chicago Licks 3 : 5

Scorers: Red Fire (40., 79.), Baby Ogre (32.) ***Akhmed Ahmadi
(41., 80.), Jonathon Pokesley (51., 74.), Rob Reiner
(54.)

Booked: --- ***Jonathon Pokesley

Chicago Licks become the second team to secure promotion from Div 2 with a deserved win against MBM. Congratulations, Erlend Janbu!

Division 3 Match day 19

=====

Enga - New Frøya 4 : 2

Scorers: Ardian Gashi (11., 31., 64.) ***Rune Kvilvang (80.),
Bjørn Tøften (48.)

Penalties: 1 ***-

Booked: --- ***Karl Harald Måsøval, Per Ove Espnes

Three goals by Ardian Gashi gave Super Enga a somewhat lucky win in one of the most important matches of the season for both teams. But Trond Hammervik can consider himself lucky that New Frøya were allowed to play with 11 men at all, since he had only put 10 names on the referee card. The teams are now both at 26 points, and the promotion fight is wide open!

Chicken Run - The Renaissance 4 : 1

Scorers: Headache header (63.), Pie Machine (84.), Corner Cat
(44.) ***---

Penalties: 1 (1 missed) ***1

Sent off: --- ***Johann Gutenberg (75.)

Booked: Alex the blocker ***Anthony van Leeuwenhoek, Leonardo
Da Vinci

Chicken Run have been gaining momentum since Stephan Rink took over, but it was pure luck that gave them a 4-1 win in a match where the visitors had a slight advantage. Tough luck for The Renaissance, who probably lost out on promotion due to this defeat, and also got Johann Gutenberg sent off and suspended.

Gromgutane - Megaszta 0 : 1

Scorers: --- ***Palcso Tamas (46.)

Penalties: - (1 missed) ***-

Booked: --- ***Bak cs

It was an unexcusable mistake by Håvard Hugås not to show up for this match, which Gromgutane really had a chance to win and thereby get away from the bottom of the table. But he couldn't be arsed to show up, and then it can only be considered just that they missed a penalty and lost a match which statistically should have been a draw.

Lake Tanganyika - Lokomotiv Oslo 1 : 1

Scorers: Blue Neon (60.) ***Lasse (17.)

Booked: --- ***Oskar

The manager of the other team fighting to avoid last place couldn't be arsed to show up either. Bad for him, for suprisingly, Lake Tanganyika had a good chance to beat promotion chasers Lokomotiv Oslo, but had to make do with a draw in the end. Stian Johnsen was far from happy with his team's performance, as Enga gained one more point on them in the promotion fight.

Love Songs - Jirs Park Rangers 2 : 1
Scorers: With or Without you (29.), Candle in the Wind (7.) ***
Reloron (17.)
Penalties: - (1 missed) ***-
Booked: Man in the Mirror ***Deloron
JPR could have taken a great step toward winning Div 3, but failed
mainly due to bad luck. They were the dominant team, but failed to
score more than once on 25 chances, which gave Love Songs an easy win.
JPR should still achieve promotion with ease, though.

Canadiens - Serial Killers 2 : 2
Scorers: Boom Boom Geoffrion (2.), Henri Richard (20.) ***Ottis
Toole (37.), John Wayne Gacy (89.)
Booked: Boom Boom Geoffrion ***---
The last in a string of unexpected results in Div 3 this round.
Canadiens dominated the match, but John Wayne Gacy came out of
nowhere a minute before the end and secured a lucky point for Serial
Killers.

Division 3 Match day 20
=====

Jirs Park Rangers - Megaszta 3 : 0
Scorers: Jeloron (27.), Reloron (23.), Geloron (14.) ***---
Penalties: - (1 missed) ***-
Booked: Geloron ***Bak cs, Ruzsa Magdi
Jirs Par Rangers won almost without effort and are promoted to Div 2!
They must wait a while longer, however, to be declared winners of Div 3.

Lokomotiv Oslo - Gromgutane 12 : 0
Scorers: Rune (6., 18., 49., 54., 76.), Torgeir (13., 41., 72.,
81.), Oskar (4., 62.), Stian (88.) ***---
HAHAHAHAHAH!! Håvard Hugaas was absent yet again, and his boys were
pathetic, not to say pathological, in his absence. Well, since
Gromgutane's extinction seems imminent, pre-pathological is perhaps
the most accurate term. Lokomotiv Oslo are still very much in the
promotion fight after improving their goal difference considerably.

Serial Killers - Chicken Run 1 : 0
Scorers: John Wayne Gacy (67.) ***---
Sent off: --- ***Sfinksens Nese (39.)
Booked: Sweeney Todd ***Pie Machine, Wrong Trousers
None of the teams had anything to play for, and Serial Killers won a
deserved victory, as they were in command after Sfinksens Nese got
sent off for CR.

Lake Tanganyika - Enga 0 : 0
Ronald Post was absent again, and again did his team fail to take
both points in a match they surprisingly dominated against a much
stronger team. But one point is probably enough, as they are now
three points ahead of Gromgutane. Super Enga stay in the promotion
zone with this lucky draw, but have still only one point down to
Lokomotiv Oslo and a weaker goal difference...

Love Songs - Canadiens 2 : 4
Scorers: My way (79.), With or Without you (67.) ***Jacques
Lemaire (40.), Boom Boom Geoffrion (86.), Henri Richard
(52.)
Penalties: - ***1
Booked: One ***---
A rather lucky away win for Canadiens in a match of little importance.

The Renaissance - New Frøya 4 : 5
Scorers: Marco Polo (62., 82.), Leonardo Da Vinci (38., 86.) ***
Karl Harald Måsøval (4., 28., 81.), Bjørn Tøften (74.,
87.)
Penalties: - (1 missed) ***-
AMAZING! The Renaissance played one of their best matches of the
season and should have decided the match rather early on. Instead it
was 2-2 with 20 minutes remaining, 2-3 with 10 minutes remaining and
some fantastic last 10 minutes with two goals to either team. This
very lucky away win took New Frøya very near promotion, while The
Renaissance, quite undeservedly, are out of the fight for good.

Editorial

Hello All

Because I am going for 1 week on holiday I had to finish LGL today and a short editorial . So here is the new issue with a lot of yellow and red cards.

I am looking also for a new job, so I am curious what 2007 will bring me..

Bye Taco

orders can be sent to:

Taco.Kraijenbrink@gmail.com

Highlights

Division 1 Highlights:

- New Leader in this division, but still 4 competitors for title.
- Still no win for Wappa
- Bokas on the way to new record DP's

Division 2 Highlights:

- Trafalgar needs only 1 point to promote to division 1
- 16 goals for 87th in 1 game.
- Job lot from now on without manager.

Other Highlights

- Mike has to resign from the game, because of family circumstances. We hope he will return in the future. Thank you very much for playing Mike.
- Lake Tanganyika can win 3 prizes
- Bokas's hardness don't stop de Roodhuiden
- Next season there will be 2 division of 10. This is because the GM-teams (because they will not buy players on the market) are too weak for the competition. This has some impact on the promotion/relegation in this season. And also on a lot of other rules for next season (VP etc). This season only nr 1&2 of division 2 will promote direct to division 1. The nr. 10, 11 & 12 will be relegated to division 2. And there will be a play-off between nr 3 of division 2 and nr 8 & 9 of division 1 for 1 place in the highest division.

Mistakes/Remarks/Answers/Questions

Divisie 1

Wales United: You forgot your Home-advantage. I followed your line-up for this.

Wappa: Buddy Holly twice in line-up

Divisie 2

Bij Toutatis: NMR. Vp's to Appendix & Amerix.

Anmerkungen:

Oliver L.: Konnte deinen Hinweis zwar nachvollziehen, habe aber bisher keinen Fehler gefunden. Werde weiterhin ein Auge darauf werfen ...

Taco K.: Beim Verteilen der Härte bzw. des Heimvorteils bitte die 3:1 Regel beachten ...

Das Wort des GMS:

- .) In der 1.Liga ziehen die **Sporttrinker** und **Mc Donalds** (mit viel Glück) dem Rest der Liga ein wenig davon. Der Pechvogel der Runde waren eindeutig wieder einmal die **Bad Girls**. Mit dem **FC Utrecht** steht nun leider auch der erste fixe Absteiger fest ...
- .) In der 2.Liga musste das Spitzenduo Federn lassen, aber der Abstand bleibt mit 4 Punkten konstant. Können die Verfolger die Beiden noch einholen und so einen begehrten Aufstiegsplatz erringen? ...
- .) Ich mach's kurz ... Renate's Taktik ging nicht auf und der 2.Ligist war zu Hause einfach nicht zu bezwingen. Damit verabschiedet sich das Spitzenduo der 1.Liga aus dem Pokal und die Verne-Fans erleben **das** Traumfinale (wäre jede andere Paarung auch gewesen) ...
- .) Leider hat Michael Parnaby – aus Zeitgründen – das Hundtuch im Verne und Montes geworfen. Damit suche ich wieder einen Manager für Verne United und zwei Manager für Montes United ...
