1. Introduction
=====

As many as four managers failed to submit orders this week. One of them has now received a warning.

The top teams in Premier League had a good round, so Chicago Licks remain four points ahead of Walhalla FC, who in turn have increased the gap to third placed DFK Mål from one to two points. Game PC follow fourth as before, but are now four points behind DFK Mål and unlikely to join the medal fight. The relegation fight consists of the remaining eight teams. Übermenschen have dropped to the bottom place, and are one point behind Rangers and Illuminatus! The remaining five teams are on 14 points, one point above the relegation zone.

Botanica have got a two point advantage over A.K.A. in League Championship after winning their match. Nightmare Heros have advanced to third place, a further two points behind A.K.A. New Frøya have fallen to fourth place, and are one point behind Nightmare Heros together with Currents of Space. Madmartigan C and Gamblers Utd collected some points this round, but are still too far from safe ground to have much chance to avoid relegation. Rejected F.C have fallen into the relegation zone, and are two points behind FSV Mainz who hold the last place above the line.

The two top teams in League One lost both their matches, allowing The Renaissance to jump straight to the top. Queen and Serial Killers are only one point behind and still in the promotion zone, but Enga are now only behind them on goal difference. Jirs Park Rangers and Furinkan HS follow only one point behind, meaning that half the teams now have a realistic chance of gaining promotion. Symington tinto doubled their goal tally, but with only six points in total are probably bound for relegation anyway. Texas Hold'em U are four points ahead of Symington, while Ormen and Foundation are six points ahead, Foundation outside the relegation zone on better goal difference.

The three top teams in League Two keep full steam ahead so there are no changes amongst them, they are just increasing the gap to the teams chasing behind. Populistene are now four points away from the promotion zone, so it seems that Valiant City, Chicken Run and Lower Saxony will take the first three places. Lyn got their second point of the season, and are now only two points behind Blue Hearts. As Blue Hearts also managed to trash their goal difference to such an extent that it is weaker than Lyn's, this means that if Lyn win the match between these two teams in the next round then Blue Hearts will suddenly be at the bottom.

DFK Mål defended their status as the luckiest team in the Nightmare League. Valiant City climb past American Natives to claim second place. Monarkia have overtaken Ajax Aswandam as the unluckiest team this season, with Serial Killers being new in the top three.

The home advantage is still 8 VP. Round 17 and 18 will be played, and so will the cup semifinals.

The deadline for next round is Friday, 26 September, at 1700 hrs CET as usual.

Premier League Match day 15
=====

Game PC - Rangers 2 : 3

Scorers: Khelgar Ironfist (61.), Fable Hero (27.) ***Johan
"Veggen" L. Bjørdal (22., 39.), Jan Derek Sørensen
(59.)

Booked: Khelgar Ironfist, Revan ***Trond "Lynvingen" Olsen
Game PC were huge favourites, but managed to lose 6 VP in attack due
to the 3:1-rule. Still, they were clearly the strongest team, but this
managerial error evened the odds sufficiently for luck to be the
decisive factor. And Rangers really needed to get lucky after having
dropped to the bottom of the table. So they made a lucky break to get
away from the bottom, while Game PC most likely can wave goodbye to
medals after this unexpected and unnecessary home defeat.

Formula 1 legends - Übermenschen 7 : 1

Scorers: Kimi Raikkonen (27., 63., 80.), Michael Schumacher (13.,
78.), Rubinho (48.), David Coulthard (58.) ***Brecht
(12.)

Booked: --- ***Brecht

Both teams are mired in the relegation fight, but Formula 1 have
shown signs of improvement recently and this was proved in this
fight which was a totally one-sided affair. The superhumans got the
first goal, but from there on and in it was the racers who were top
dogs. I believe F1 will survive, while Übermenschen must improve to
avoid relegation.

American Natives - Bergtre Dramskips Selskap 1 : 2

Scorers: Crow King (17.) ***Mons Ivrig Mjauer (25., 65.)

Booked: Black Hairy Dog, Two Moon ***---

American Natives were favourites due to their impressive home record,
and they scored the first goal, but Mons Ivar Mjauer scored twice to
give Bergtre DS a somewhat surprising win in a match that could have
gone both ways.

ForEverton - Chicago Licks 3 : 4

Scorers: James Vaughan (18., 36.), Bjarni Vidarsson (10.) ***
Prof. Emmanuel Zeke (41., 65.), Reginald Fairchild (2.,
33.)

Booked: James Vaughan, Phil Neville ***---

Our Everton heroes showed no respect for the table toppers and the
first half was very entertaining with 3-3 being a fair score at the
break. The second half become less entertainig, with CL taking over
and getting the goal they needed to win. And suddenly our Everton
heroes are back at the bottom of the table...

DFK Mål - Illuminatus! 2 : 0

Scorers: Øyvind Gram (17.), Diver (78.) ***---

Penalties: - (1 missed) ***-

Booked: --- ***Fortis, Red Neon, T-Mobile

DFK Mål missed a penalty, but won an expected and very safe victory
with one goal in each half. The illuminati didn't get a single shot
on goal and thus were never a threat.

Walhalla FC - Monarkia 5 : 3

Scorers: Heti Netquist (18., 74.), Ike Koentse Knudsen (12.),
Mette Marit Rekdahl (15.), Giers Lund (24.) ***Øystein
II (52.), Magnus 6 Lagabøte (79.), Inge II Bårdsson
(83.)

Walhalla got a win this round just like the other two top teams, but
Monarkia played well and with some luck they might have escaped with
a draw. The teams had one half each, with Walhalla being 4-0 up at
half time, and almost losing it in the second half.

Premier League Match day 16

=====

Game PC - Formula 1 legends 3 : 0

Scorers: Khelgar Ironfist (49.), Revan (66.), Fable Hero (60.)
***---

Booked: Findan ***Nigel Mansell, Niki Lauda

Luck is a strange thing. Rune Sørheim fucked up the 3:1-rule again
and lost 6 VP in attack and should have drawn the short straw against
the racers. But, instead of drawing the short straw Game PC drew the
lucky card and won 3-0 totally against the run-of-play. F1-manager
couldn't believe his own eyes as Game PC scored three times in the
second half while F1 wasted more than two dozen chances without
managing to score...

Illuminatus! - ForEverton 2 : 7

Scorers: T-Mobile (40.), Burtoni (68.) ***James Vaughan (11., 67.), Manuel Fernandes (30., 60.), Andrew Johnson (19., 39.), Bjarni Vidarsson (86.)
Booked: Albron ***Jorge Nuno Valente, Manuel Fernandes, Phil Neville, Victor Anichebe

Our Everton heroes came back with a vengeance from their defeat in the last round, but in truth the amazing scoreline was vastly overstated. For Everton deserved to win, but to score on every second chance? Nah, not bloody likely. And suddenly the illuminati are back in the relegation fight and world domination seems to be far, far away...

Rangers - Chicago Licks 1 : 2
Scorers: Trond "Lynvingen" Olsen (65.) ***Danko Veenhuizen (61.)
Penalties: - ***1
Booked: Johan "Veggen" L. Bjørdal ***---
Chicago Licks managed to win their second away match this weekend as well, and are now indeed very close to claiming gold medals. Only something akin to a plane crash could stop them now... Rangers fought well, but that was not enough and they are back in the relegation zone again.

Monarkia - Bergtre Dramskips Selskap 5 : 0
Scorers: Håkon II Herebrei (3., 25.), Håkon 4 den gamle (59.), Håkon III (20.), Magnus 6 Lagabøte (19.) ***---
Booked: Håkon 4 den gamle ***---
The scoreline flattered the monarchs, but there was no doubt about them being the best team and winning deservedly. With 4-0 up at half time the second half was just a walk in the park.

DFK Mål - American Natives 0 : 0
American Natives stole a point in an appallingly boring match where only DFK Mål seriously tried to play football. They should have scored, but cannot blame anyone but themselves for not doing so. One point for anti-football...

Walhalla FC - Übermenschen 7 : 1
Scorers: Ike Koentse Knudsen (15., 62., 85.), Giers Lund (49., 52.), Mette Marit Rekdahl (37., 81.) ***Weber (4.)
Walhalla secured their grip on silver medals by outplaying the superhumans, soon to be nicknamed subhumans as they seem to be building up an inferiority complex when playing against presumably stronger teams (which soon includes most of the Premiership teams...)

League Championship Match day 15
=====

Gamblers Unitd - A.K.A. 0 : 0
A.K.A. were huge favourites but played shite against a shite team, resulting in a thoroughly shite match. Those who were stupid enough to come to see the match should have got their money back.

FSV Mainz 05 - New Frøya 2 : 0
Scorers: Friedrich (73.) ***---
Penalties: 1 ***-
Sent off: --- ***Jørgen Utvik Karlsen (60.)
Patrik Prekopp was absent from the Mainz bench while New Frøya had key players suspended. With both teams weakened the match was relatively even, but this changed when Jørgen Utvik Karlsen was sent off and FSC Mainz given a penalty. That decided the match, for suddenly they came forward and got another goal while New Frøya never had a shot on goal in the entire match. Frøya's grip on promotion is slipping away...

Nightmare Heros - Rejected F.C. 3 : 1
Scorers: Devil (16., 80.), Sauron (50.) ***Newport County (59.)
Booked: Ørjan S'le ***---
Nightmare Heros could have won much bigger, but were more than satisfied with just winning and overtaking New Frøya to move into the promotion zone for the first time. The Rejects, on the other hand, face the opposite situation and is facing the very likely prospect of another relegation...

Directors - Botanica 0 : 0
Botanica had to make do without their manager, but were still closest to winning in a rather boring and entirely uneventful game. Botanica stay on top and Directors stay in the middle. This was never a match with the potential to change much.

Brettspill Utd - Ajax Aswandam 2 : 5
Scorers: Origo (40.), Wizard (50.) ***Earth Song (59., 72.),
Ahmed Omran (2.), Rizq Shehata (29.), Sheikh Ayman
al-Fayoum (65.)

Erlend Janbu continue to play most of his players out of position, 8 out of 11 this time. A rather risky strategy when you are in the relegation zone, but this time it couldn't prevent AA from taking their first away win of the season and climb out of the relegation zone. Not exactly something to be proud of for Brettspill Utd who can just forget about joining the promotion fight.

Currents of Space - Madmartigan City 3 : 0
Scorers: Berry Potion (72.), Andromeda (1.) ***---
Penalties: 1 ***-
Booked: Gottschalk the Killer ***Nerma Newstart
Currents of Space had no problems at all with getting their 7th consecutive home win this season and are really closing in on the promotion fight. Mad City are as good as relegated, only theory can save them now. My theory is that it won't.

League Championship Match day 16
=====

Gamblers Unitd - FSV Mainz 05 2 : 1
Scorers: Bonnie Bouncer (36.), Wendy Wedger (84.) ***Frost (18.)
Gamblers Utd keep hope alive by coming back after having been 0-1 down and secure a narrow, but deserved win. They were probably helped by Patrik Prekopp's absence, but being present is part of the game. Prekopp is balancing on a thin line, with Mainz being very much involved in the relegation fight now.

Ajax Aswandam - Directors 5 : 1
Scorers: Hosni Badawi (12., 24.), Rizq Shehata (1., 58.), Earth Song (38.) ***Frank Capra (46.)
Ajax Aswandam lost 4 VP in attack due to the 3:1-rule and used most of the players out of position, but were still far superior against rather pathetic Directors. With this, AA are suddenly far away from the relegation struggle.

A.K.A. - Botanica 1 : 2
Scorers: Billy Batson (79.) ***Bellis Perennis (60.), Fragmites (78.)
The top match of the round took place in the absence of Botanica-manager Jerry Struik. But both teams created lots of chances, and it was a minor miracle that it was still 0-0 at half time. The fun continued after the break and A.K.A. seemed like the strongest team until suddenly Botanica scored - twice! A.K.A. tried to come back, but only managed to score once, giving Botanica a definitive advantage in the fight for winning the League Championship. But kudos to both team for making it a very good match!

Madmartigan City - Rejected F.C. 5 : 2
Scorers: Mary Mast (31., 83., 90.), Julidochromis Ornatus (69.),
Nerma Newstart (52.) ***Newport County (30.),
Middlesbrough Irinopolis (67.)
Madmartigan are clutching at the last straw in their effort to stay in the Championship, but the straw hasn't broken yet! They were rather lucky to win this match, as Rejected F.C were the better team and created more chances, so it is quite amazing they managed to win 5-2 in the end. My guess, however, is that this result goes a long way towards ensuring that both teams go down in the end and not just Mad City...

Brettspill Utd - Nightmare Heros 1 : 1
Scorers: Funkenschlag (78.) ***Good Night (68.)
Penalties: - (1 missed) ***-
Booked: --- ***Nightwish, Ørjan S'le
Nightmare Heros can perhaps be most satisfied with the result because Brettspill missed a penalty, and because the draw ensured that they stay ahead of their toughest opponents in the rush for third place and promotion.

Currents of Space - New Frøya 0 : 0
Penalties: - (1 missed) ***-
Booked: Lost Gummy Bear ***Aqqalu
Current of Space had a great opportunity to put a weakened New Frøya behind them in the promotion fight, but were too cautious and ended

up with a goalless draw instead. The penalty they missed didn't do much to improve Stephan Rink's mood either...

League One Match day 15

=====

Symington tinto f.c. - Queen 2 : 0

Scorers: webster (52.), ross (66.) ***---
HAHAHAHAH!!!!!! Top against bottom, and the bottom manager was absent again and may have abandoned the sinking ship like a rat. But what happens??? The bottom, managerless team wins, and it was deserved, too!!!!!! Steven, your ship may be sinking, but you still would have the chance to go down with it and with your honour intact. But now, as your team only seems to win in your absence, your legacy will more likely be that of a dead, wet rat.

Jirs Park Rangers - Megaszta 0 : 0

Booked: Uloron ***---
Jirs Park are chasing promotion and were clear favourites at home, but failed to score on a dozen chances and therefore gave away a crucial point.

The Teddy Bears - Texas Hold'em United 1 : 0

Scorers: Ursus Major (16.) ***---
Texas Hold'em had to play with 10 men due to suspensions and a razor thin squad, but in spite of this The Teddy Bears only managed to get one goal. Not impressive from a team that usually scores a lot of goals! But a win is a win.

Furinkan High School - The Renaissance 0 : 0

Michael Frenzel benched Mousse for being drunk on the training ground, and a weakened FHS were very lucky to get a draw against Renaissance men who suffered from the absence of their manager. The promotion fight is still wide open!

Foundation - Ormen 2 : 3

Scorers: Parijs (82.), Absolut Olsen (87.) ***Glad (50., 63.),
Torv (12.)
Penalties: - ***- (1 missed)
Booked: Moonray Kwise, Wales United ***---
Ormen's manager chose this crucial match against the team above them on the table to be absent, but it seems his empty seat was filled with luck potions instead, as Ormen managed to get 3-0 up and cling to a 3-2 lead during the last hectic minutes of the match. With this Ormen climb above Foundation again and leave the latter in the relegation zone.

Serial Killers - Enga 1 : 2

Scorers: John Wayne Gacy (8.) ***Steinar Strømnes (36.),
Sebastian Mila (79.)
Sent off: --- ***Alexander Mathisen (32.)
Booked: --- ***Jørgen Horn, Sebastian Mila
Super Enga got super lucky in this away match against Serial Killers! They got an early goal against, and then got A. Mathisen sent off after about half an hour. Then a shock equalizer four minutes after the red card and a shock winner about 10 minutes before the end while Serial Killers were pressing on to get their second goal. Enga had about 7% chance to win, and they did. Incredible!

League One Match day 16

=====

Symington tinto f.c. - Jirs Park Rangers 0 : 0

Booked: --- ***Adloron
The symingtonites got another point and have doubled their point tally after Steven "The Rat" Brown abandoned ship. The match, however was abysmal, with only one shot on goal (from JPR) and a booking (also JPR) being noteworthy.

Ormen - Furinkan High School 0 : 2

Scorers: --- ***Yasukichi (13.), Svenn Kristiansen (43.)
Booked: --- ***Akane Tendo, Principal Kuno
Michael Frenzel had reinstalled Mousse in the team, but now he benched Ryo Kymon, a move equally baffling to observers. However, FHS were still somewhat stronger than Ormen and managed the win that was expected of them.

Queen - The Renaissance 5 : 6

Scorers: Lake (15., 74.), Freddie Mercury (65., 80.), Brian May

(30.) ***Andreas Vesalius (12., 80.), Walter the Penniless (64., 87.), St. Benedict (45.), Prince Henry (72.)

Queen lost 1 VP in attack due to the 3:1-rule while Renaissance were still without their manager. Nevertheless, the match became a real thriller between these two top teams, with 11 goals, 44 evenly divided chances and a winning goal by Walter the Penniless only 3 minutes before the end. The match had it all, and in the end the slightly better team won and took over the table top!

Enga - Texas Hold'em United 0 : 0
Booked: --- ***All in, Turn

Super Enga came from a superlucky away win against a top team to what should have been a walk in the park at home against a bottom team. However, the poker stars outguessed Enga and chose a perfect strategy, so in the end all it took was a little bit of luck to secure a draw. Bigger!

Foundation - The Teddy Bears 4 : 4
Scorers: Nairobi (16.), Absolut Olsen (67.), Parijs (32.), Ahmed Shafiq (21.) ***Ursus Major (87.), Baloo (42.), Kollargol (69.), Bamse Brakar (43.)
Penalties: - ***- (1 missed)

Foundation were unlucky again, but at least they managed to get a point from a match they should have won, and thereby getting past Ormen on goal difference and out of the relegation zone again.

Serial Killers - Megasztar 0 : 1
Scorers: --- ***V go Istvan (37.)

The last in a series of incredible results in League One this weekend! Serial Killers outplayed the Hungarians and should have won easily, but instead Vago Istvan scored on one of the few chances Megasztar had. Well, while this may not be entirely fair, at least it opens up the promotion fight for about half the teams in the division to join in for the last six matches!

League Two Match day 15
=====

The Scientists - Valiant City 1 : 2
Scorers: Koch (29.) ***Diane Director (34., 54.)
Valiant City did hardly impress, but they got the victory that was expected of them against The Scientists after having got a bit of a scare when the hosts got the first goal.

Chicken Run - Good Americans 2 : 1
Scorers: kip2 (73.), Calamity Jane (31.) ***Paul Auster (14.)
Penalties: - (1 missed) ***-
Booked: --- ***Herman Melville, John Ford, Paul Auster
Good Americans lost 3 VP in attack due to the 3:1-rule and it might have cost them a draw. However, CR were so much better that they deserved to win, and they also missed a penalty.

Canadiens - Blue Hearts 18 : 6
Scorers: Jaques Laperriere (6 goal\$s), Howie Morenz (6 goal\$s), Jean Beliveau (4., 37., 49., 89.), Henri Richard (61.), Steve Shutt (76.) ***Marit Larsen (19., 32., 84.), Jim St,rk (47.), Evert Tube (69.), Morten Abel (12.)
Booked: --- ***Morten Abel
Blue Hearts have collapsed totally, and Canadiens were having a bonus round where the goal was to improve their goal difference with as much as possible in 90 minutes, almost without opposition...

Populistene - Lake Tanganyika 0 : 0
Populistene continue to lose ground and here they gave away a totally unnecessary draw simply by their inability to score on nearly a dozen huge chances. And they did this against a team just behind them on the table, which it would have been rather useful to beat...

Love Songs - Lyn 7 : 0
Scorers: Just Hold Me (30., 51., 57., 66.), One (75.), Life in a furnace (15.), Summer Wine (20.) ***---
Booked: One ***---
Love Songs also enjoyed a bonus round against the west end brats...

Game Heroes - Lower Saxony 2 : 3
Scorers: Gianna (8.) ***Uelzen (38., 61.)
Penalties: 1 ***1

Game Heroes got an early goal and really put up a fight against the Saxons, but in the end the latter become too strong. They are after All promotion contenders whil GH are newcomers.

League Two Match day 16

=====

The Scientists - Chicken Run 0 : 5
 Scorers: --- ***kip2 (20., 28.), Lucy (7., 9.), Calamity Jane (54.)

Penalties: - (1 missed) ***-

Booked: Dalton ***Sandra

Chicken Run won easily against The Scientists, just as expected.

Lyn - Populistene 1 : 1

Scorers: Ashraf Fathi (16.) ***Ulf Leirstein (63.)

Booked: Bob Crachett, Mark Goodman, Robbie Hufder, Tom Gunn ***

Populistene's fall from grace has hit rock bottom: they lost a point against Lyn!!!!!! As it is hardly possible to fall deeper (a defeat is of course out of the question) the question which remains is if Populistene will ever be able to get on their feet again, or if the humiliation is so complete that they will just continue digging a hole and hiding in it...

Valiant City - Lake Tanganyika 3 : 1

Scorers: Megan Measurer (25.), Diane Director (44.), Connie Controller (41.) ***Brevis (80.)

Valiant City continue their string of wins and will probably formally secure promotion in a couple of matches. LT can probably forget about promotion now. They are simply not good enough.

Lower Saxony - Blue Hearts 18 : 1

Scorers: Oldenburg (7 goal\$s), Hildesheim (6 goal\$s), Laatzen (44., 63., 73., 86.), Fassberg (21.) ***Marit Larsen (63.)

Booked: --- ***Jonas Rønning

Another embarrassing defeat for Blue Hearts, and after Lyn got a point this is getting near a crisis for the Blues. Their goal difference is now worse than Lyn's which means that if Lyn beats them in the next round (God forbid), Blue Hearts will suddenly be at the bottom and headed for extinction instead of Lyn. Get your act together, Blues Brothers, I have waited for Lyn's extinction for too long for you to snatch it away from me now...

Love Songs - Canadiens 8 : 1

Scorers: Life in a furnace (5., 63., 86.), Just Hold Me (60., 79.), Summer Wine (32., 46.), Man in the Mirror (10.) ***Boom Boom Geoffrion (84.)

Booked: Summer Wine ***Jean Beliveau

Love Songs demolished Canadiens in a match of little importance.

Game Heroes - Good Americans 3 : 3

Scorers: Lara Croft (36.), Gianna (19.) ***Cormac McCarthy (12.), Paul Westerberg (89.), Paul Auster (1.)

Penalties: 1 ***-

Booked: Gianna, Larry ***David Lynch

Good Americans have had the best seasons of the two new teams, but now they lost 3 VP in attack due to the 3:1-rule and that actually gave Game Heros a clear advantage. However, they failed to exploit it so it ended with a draw anyway.
