## EDITORIAL

*Dear United Friends,*

Again a week delay and probably I would do better to let you know that you have to count on this in the future. That will make it quieter and easier for myself as well. Especially in the busy periods I'm just not able to find the time, even in the weekends, to finish the United Friends in the weekend after the deadline. Maybe it will succeed sometimes, but it's always better to warn people that it can take a bit longer.

Next Thursday I will travel to Holland again for more than three weeks. It's always difficult to leave my girlfriend at home for such a long time, but I'm also looking forward to see my Dutch friends and family again. Of course I filled my organizer with loads of parties, sauna visits and game appointments, so I it won't be boring...

Cheers, Daniel.
